Wow the children have been busy creating wonderful pieces of artwork. You may have noticed some in the corridor. They have also been working on creating a dragon to help celebrate Chinese New Year.

As Rex the bearded dragon has been so popular, we are negotiating with the Nature Education Centre to keep him another week. In weeks 3 & 4 we will have some green tree frogs to care for and learn about.

Rex is taking the family for a walk

Please remember to label ALL your child's belongings, including shoes.

The children enjoyed their last picnic on the deck as we know it!!

This week our luxury tent 'outdoor classroom' is being erected. We are so excited as this will provide the children with a wonderful new learning space and will give the educators another option for the children's programs. If you have time take a walk and have a look.

Please remember to pack a hat and apply sunscreen to your children before preschool Thank you!

For those that had their birthdays in the holidays
HAPPY BIRTHDAY !!
 Liam, Danny, Faith, Riley & Kai Chen

This week the Early Intervention Foundation Group families started. They will be attending on Tuesday and Thursday mornings and there are 7 families registered. The first session was fantastic! The children settled in wonderfully and the families enjoyed learning about The Briars, our staff and programs.
