Our outdoor classroom is up and is **AMAZING!!**
Thank you to David and Christian for volunteering their time to erect the tent, it took 3 days. The children loved visiting the work site and helping.
Some of them even got to use power tools!!!!
Thank you to one of our old scholars for donating some wonderful cushions and rugs to use in the tent.

As the weather is becoming a little more friendly, we will be spending more time outside. Please remember to pack a spare pair of clothes, a hat and apply sun screen.
