Spectronics Conference Mon 19th—Fri 23rd May

Eight of our staff have been selected to attend the Spectronics conference held on the Gold Coast. It will be four full-on days of immersion in the world of technologies to support diverse learners.

The Staff who will be attending are Judith, Helen, Rose, Nikki, Sharon, Kylie, Dan and Tash. A team of regular relief teachers and ECW's will be at The Briars during this time.

We are proud of the two staff who are presenting at the conference; Sharon & Helen. We look forward to hearing your presentations.

All the staff are very excited about this opportunity and are looking forward to coming back to The Briars with fresh and new ideas.

Cooking became very messy and lots of fun when the cake mix went flying off the beaters.
