Quality Improvement Plan Summary

The Briars Preschool

Goals	Challenge of Practice	Success Criteria
LITERACY - To improve children's ability to communicate with others.	If we implement a consistent, whole-site approach to the Marte Meo technique, then we will improve children's ability to communicate with others.	Success will be measured by: - 85% of the children showing an increase in two of the domains in the Roadmap of Communicative Competence data collection from term 1 to term 4. - CIT's Analysis of our Ped. Doc around the increase in children's communication and connection with others- Marte Meo Technique. - CIT's Collaborative Inquiry case study show an increase in the children's communication and connection with others.

National Quality Framework Priorities	Key steps
Staff team will critically reflect on current approaches to pedagogical documentation, aligning it with the Preschool Position Statement, to ensure full implementation of the EYLF planning cycle and quality documentation informs the learning program.	CIT's- look deeply at Ped. Doc/Unpack the new DfE Preschool resources and updated EYLF/shared understanding/purpose/analysis.
Critical reflection as a learning community – staff and families – to increase family engagement with the curriculum, including the Marte Meo Technique.	Data- survey, Kinderloop data collection. Staff Meetings/Educator's Meeting.
